SLST: Slip Stitch

HDC: Half Double Crochet

DC: Double Crochet

TRC: Triple Crochet

2SC in 1SC: Increase

2SC together: Decrease

Preparing the metal bug:

Remove the eyes from the head. Keep thee yes, you need them later. Remove the wings of the body. Sand smoothly. The beak of this bug is open, I sealed it with tape.

I made this with slightly thicker yarn: Pingouin. When you use thinner yarn you might have to make some extra Rnds increasing the SC. And making some extra Rnds. Try your work around the metal head and body, to make sure it will fit.
